AGENDA

1. Adoption of Minutes (Pages 1 - 8)
2. Meeting Correspondence (Pages 9 - 10)
3. Date for Special Meeting RE: RRDF Glenfarne

Notice of Motions

4. Motion from Councillor Pdraig Fallon

I propose that this municipal write to the Minister and the Department of Agriculture urging the full ACRES payment be made in recognition of the difficulties caused by the delay in payment of the advance in December. Farmers in this Municipal are negatively impacted by

such delays and full payment is now required.

5. Motion From Councillor Padraig Fallon

I propose that this Municipal write to the Minister for Justice asking that this municipal district be considered for one of the announced Garda Community engagement vans. North Leitrim has seen the closure of a number of stations and is in need of resources.

6. Motion from Councillor Sean McDermott

I ask if footpaths can be made safe along the Kilcoo Road, Housing Estate, Kiltyclogher. These footpaths are very uneven and dangerous at entrances to households, this issue has been raised in the past.

7. Motion from Councillor Sean McDermott

I ask if there is a timeframe for works to be carried out on the N16 National Primary Road on the Manorhamilton side of the Rainbow Ballroom, where cracks along the roadside are increasing in size.

8. Motion from Councillor Felim Gurn

I ask what is the winter protocol when trees fall and lights go out after 5pm on a Friday or a bank holiday weekend. Also in instances of flooding who do we contact because fire services are the last ones to be told that they are needed in certain situations.

9. Motion from Councillor Felim Gurn

I ask that the council look at existing footpaths and roundabout entrances coming into Manorhamilton and come up with a solution for when these footpaths are paved on sand to ensure that weeds and moss cannot keep coming up through the brick surfaces. This is a different issue from New public realm works that have just taken place in the town.

10. Motion from Councillor Justin Warnock

We have seen a welcomed 10% growth in the population of Leitrim in the 2022 census, a) I ask Leitrim County Council what percentage growth took place in the Manorhamilton Municipal District? and b) what is the current population of this MD?

11. Motion from Councillor Justin Warnock

The employment opportunities in Kinlough and Tullaghan are very limited and with the continued growth in population in these areas, I ask Leitrim County Council to deliver the infrastructure necessary to the sites zoned for Enterprise and Employment in our County Development Plan 2023 - 2029 to maximise the potential for job creation.

12. Motion from Councillor Frank Dolan

I ask if any progress has been made on the proposed provision of a footpath /pedestrian walk on Castle Street bridge in Manorhamilton. A grant was allocated for this project a number of years ago, but no works were ever carried out.

13. Motion from Councillor Frank Dolan

There is an ongoing problem on the R278 at the corner of Lough Doon where the road is continuously being eaten away by surface water and as a result traffic is forced to swing on to the wrong side of the road in order to avoid the large potholes. I ask that on this occasion that this be properly addressed.

14. Motion from Councillor Mary Bohan

I ask what is the current position regarding the provision of the bus shelter in Drumkeeran

15. Motion from Councillor Mary Bohan

I propose that repairs and roadside drainage be carried out on the road leading to the Mass Rock in Tullynascreena.
