## **Budget 2025 – Financial Context**

The Minister for Housing, Local Government and Heritage has determined the period from 1st November 2024 to 6<sup>th</sup> December 2024 as the prescribed period for Local Authorities to hold the 2025 Budget Meeting as per Circular Fin 11/2024. The Statutory Budget Meeting will be held on Monday 11<sup>th</sup> November 2024.

Leitrim County Council will receive a total Local Property Tax (LPT) allocation of €10,745,778 for 2025, as notified by the Department in Circular Fin 12/2024. The decision was made at the Council Meeting on the 5<sup>th</sup> of September 2022 to leave the LPT adjustment factor at the 2022 levels for 2023, 2024 and 2025.

In line with the provisions of Section 9 of the Local Government Rates and Other Matters Act 2019, Leitrim County Council advertised notice of a public consultation process on the 11<sup>th</sup> September 2024 and sought written submissions on the making of a scheme to provide an abatement of rates in respect of vacant properties. No submissions were received in this regard. The 2025 Budget proposes the continuation of the existing abatement scheme, whereby Leitrim County Council will grant a maximum write off equivalent to 75% of commercial rates invoiced during 2025.

The Retained Firefighter WRC agreement commenced implementation during 2024. Budget 2025 is prepared on the assumption that all costs associated with implementation will be recouped in 2025 from the Department of Housing, Local Government and Heritage.

In mid-2022 the “Framework for Future Delivery of Water Services” was published which provided the roadmap for the transition of water services to Irish Water during 2023. In September 2023, the Water Services function in Leitrim, transitioned to Uisce Eireann in line with the provisions of a sectoral master agreement. In this context, the budget is prepared on the basis that the cost of Local Authority staff (now under the direction and control of Uisce Eireann) will be recouped directly from Uisce Eireann, while stranded costs will be recouped under a sectoral agreed Memorandum of Understanding, with the Department of Housing, Local Government and Heritage. Central Management Charge previously recovered from Uisce Eireann will also be substantially recouped under this Memorandum until 2026. It is essential that such ongoing stranded costs are recognised beyond 2026 and funded as part of any future LPT baseline review.

## **Municipal Districts – General Municipal Allocation (GMA) and Draft Budgetary Plan**

The GMA and Draft Budgetary Plan were considered and adopted by the three Municipal Districts at the following meetings:

Carrick Municipal District – 14<sup>th</sup> October 2024

Ballinamore Municipal District – 21<sup>st</sup> October 2024

Manorhamilton Municipal District – 21<sup>st</sup> October 2024

The GMA and Draft Budgetary Plan provision of €112,000 as adopted by each Municipal District has been included in Budget 2025 as follows:

## Budget Drivers 2025

The draft budget as presented has regard to the following service delivery and cost drivers:

- Capital Investment Programme:** Provision has been made to meet the Councils projected match funding requirements of the six-year capital investment programme through ring fenced commercial rates and LPT increases. A detailed review of the Capital Investment Programme undertaken by the Council since 2020 has been carried out. The Programme presented as part of the Budget Meeting reflects the outcome of this review coupled with the continued delivery of a proposed and ambitious investment programme over the next 6 years. This programme provides the Council with the opportunity to maximise the potential of the expected strong economic situation nationally and the anticipated ongoing commitment to fund opportunities that will continue to be very impactful for the County, particularly Urban and Rural Regeneration Development Funds.

- **Retained Fire Service Pay Agreement:** Additional expenditure in the fire service has been provided on the basis of recoupment from Central Government
- **Public Sector Pay Agreements:** Provision has been made for the estimated additional costs and also the expected recoupment from Central Government. However, pay and pension costs continue to be a significant driver of costs for the Council, currently representing over 40% of total projected expenditure.
- **Uisce Eireann:** The assumption is made that implementation of the Uisce Eireann Master Agreement and Service Support Agreement will be cost neutral to the Council and all stranded costs arising will be fully funded by Central Government in 2025.
- The **Local Authority Veterinary Service** is scheduled to transition to the Department of Agriculture, Food and the Marine in early 2025, with transition arrangements to be agreed regarding the control of dogs and horses.
- Leitrim County Council will complete a **rent review** during 2025.
- Budget 2025 will continue to support the **Housing Capital Delivery programme**.
- The **Local Enterprise Office** is funded primarily by Enterprise Ireland. However, a significant funding gap has emerged from this funding model. This matter will be considered at Sectoral level during 2025.

## **Principle Service Costs included in Budget 2025**

Budget 2025 provides for a total expenditure of €60.1m. This represents an increase of over 14% on budgeted expenditure for 2024. The following table shows the distribution of this increased expenditure by service division level.

**The increased expenditure is financed as follows**

	<b>Draft 2025</b>	<b>Adopted 2024</b>	<b>Variance</b>
<b>GOODS &amp; SERVICES</b>	11,507,628	10,986,301	521,327

<b>TOTAL</b>	<b>60,119,532</b>	<b>52,591,120</b>	<b>7,528,412</b>

**Budget 2025 highlights**

- Additional budget of €4,000,000 under “Other Housing Grant Payments” (A0901) represents the value of the Refurbishment of Vacant and Derelict Homes grants to be expended, revitalizing rural areas and villages of County Leitrim in 2025.
- The Housing Department will continue to deliver outputs under the Housing for All Programme to deliver a steady supply of housing in the right locations with economic, social and environmental sustainability built into the system.
- The Housing Department will avail of funding opportunities to upgrade the existing social housing stock to bring units back into productive use to meet the housing need in the county.
- The Routine and Planned Housing Maintenance budget has been increased by 11% in Budget 2025. This reflects the importance of maintaining the housing stock in good condition and dealing with complaints from tenants as they arise.
- Housing Grants (A901) have been traditionally funded from the capital account at the rate of 20%. This match funding requirement has now been reduced to 15%, however the Sector are now required to meet this match funding requirement from the revenue budget. This will create transitional pressure for 2025 and beyond.
- The Local Roads General Maintenance Works (B0405) has increased by 8% in Budget 2025, highlighting the importance attached to maintaining and improving our local road network and building on a 12% increase to the 2024 budget.
- Budget 2025 makes provision for ‘The Gathering’ which is scheduled to take place from Friday 23rd – Sunday 25th May 2025. This is a weekend designed to celebrate the culture, heritage and people of the County. Leitrim County Council is working in collaboration with relevant Committees and Community Groups to plan Anchor events in the larger towns i.e Carrick on Shannon, Ballinamore and Manorhamilton and other smaller events throughout the County.
- Planning Control (D0201) includes a 25% increase arising from the strengthening of staff resources in the development management area supported by the Department of Housing Local Government and Heritage. County Leitrim will have a complete up to date suite of legislatively required forward planning documents in 2025.
- Corporate Governance: Budget 2025 has made provision to address organisational development, digitisation and transformation, including staff welfare and wellbeing initiatives.

- Budget 2025 makes provision to ensure that Leitrim County Council minimise the potential for cyber-attacks in the future and maintain operational readiness to manage risk.
- Budget 2025 includes a 4% increase for Tourism Development (D0501). This will continue to build the Leitrim Tourism brand and drive an increase in tourism visitors to County Leitrim building on the 10% budget increase to the 2024 budget.
- Economic Development and Promotion (D0905) includes a 16% increase on the 2024 budget demonstrating the commitment to resourcing the new Local Community Safety Partnership and the DRCD Projects Capital Delivery team with additional expenditure on the promotion of the county and maintaining existing digital connectivity in our towns.
- Heritage and Conservation Services (D11) provides for a 30% increase on the 2024 budget arising from the preparation of a new heritage plan and the increased delivery of heritage plan and biodiversity projects.
- Budget 2025 includes a 5% increase for the Upkeep of Parks, Pitches and Open Spaces (F0301) acknowledging the importance of the upkeep and appearance of our amenities and opens spaces and following on from the 16% increase to the 2024 budget.
- The overall operation of the Civic Amenity Sites will be reviewed in 2025 to address the escalating costs and consider the requirements of the National Waste Management Plan for a Circular Economy 2024 – 2030.
- Leitrim County Council will continue to implement the 206 no actions contained in the Climate Action Plan in collaboration with the CARO and all other stakeholders. 2025 will see particular emphasis on the retrofit of public lighting, fleet management and the ongoing engagement by Leitrim County Council in the pathfinder project in collaboration with Cavan, Monaghan, CARO and SEAI. The full year cost of the Climate Action Team is included in Budget 2025, based upon full recoupment from the Department of Environment, Climate and Communications.
- 2025 will see a continued commitment to water quality and environmental protection, with additional staff been recruited in the area of Farm Inspections and Water Quality Monitoring. A new River Basin Management Planning process is approaching completion, and it is anticipated that implementation will commence in 2025.
- Budget 2025 provides for additional expenditure in the fire service based upon recoupment from Central Government to fund the Retained Firefighter Pay Agreement, including additional non pay costs.
- Budget 2025 will maintain the focus on town renewal, town teams, town regeneration facilitation and capital investment.

**Provisional Local Property Tax Allocations 2025 – Leitrim County Council**

A Chara,

I am directed by the Minister for Housing, Local Government and Heritage to inform you that the provisional Local Property Tax (LPT) allocations from the Local Government Fund for 2025 have been agreed and Leitrim County Council's allocation is set out below and in **Appendix A** to this document. LPT allocations have been calculated based on an estimated yield (pre variation) for the 2025 LPT liability year of €552.6m, based on data regarding 2023 LPT liabilities (including deferrals) as provided by the Revenue Commissioners, adjusted for newly liable properties in 2024 and 2025 (as set out in **Appendix B** to this document).

**LPT Baseline and Distribution Methodology**

Under the current LPT allocation model, every local authority is entitled to receive a minimum amount of funding under the LPT allocation process, known as the Baseline. Following a review of LPT Baselines last year, Local Authority Baselines were increased overall from €353m to €428.4m for 2024 and will remain at this level again in 2025. Accordingly, Leitrim County Council's Baseline for 2025 is €10,456,315.

LPT allocations for 2025 are set in line with the methodology whereby 100% of the estimated LPT yield is retained locally within the local authority area where it is collected.

**Equalisation,**

As previously, all equalisation funding will be met by the Exchequer, to ensure that all authorities receive, at a minimum, an amount equivalent to their Baseline. The equalisation funding requirement will be based on the total expected level of LPT in each local authority area and will not be adjusted if the basic rate of LPT is varied.

Based on its shortfall position when expected 2025 LPT receipts are compared to the 2025 Baseline, Leitrim County Council will be in receipt of equalisation funding in 2025.

### **Self-Funding**

As previously, those local authorities with a surplus LPT yield above their baseline, will have that surplus allocated in two ways:

- Part of the surplus, up to the equivalent of 22.5% of total expected LPT income (or the full amount of the surplus if that is less than 22.5%), can be used as additional income by local authorities for the authority's own use as part of their normal budgetary process; and
- The remainder of the surplus, if any, will then be available to the local authority to fund services in the housing and/or roads areas thereby replacing Central Government funding for some of these services. Authorities are expected to continue providing such services regardless of the changed approach to funding.
- The self-funding requirement will be based on the total expected level of LPT in each local authority area before any application of a local variation decision and will not be adjusted if the basic rate of LPT is varied.

Based on its shortfall position when expected 2025 LPT receipts are compared to the 2025 Baseline, Leitrim County Council will not be required to self-fund services in the Housing and/or Roads areas.

The specific detail of the level of Central Government Voted grants funding to be provided to local authorities is a matter that will be considered, as normal, as part of the Estimates process.

### **Provisional LPT allocation to Leitrim County Council in 2025**

The LPT allocation for Leitrim County Council for 2025 (**pending any decision to locally vary the basic rate**) is **€10,456,315**. As a local authority where the expected 2025 LPT yield is less than the Baseline, this allocation includes **€8,526,565** equalisation funding in order to ensure that the allocation is at least matched to the Baseline.

Please refer to the table in **Appendix A**, which sets out the basis for the allocation.

## **Variation**

Every local authority has the power to vary the basic rate of LPT by up to 15%. It should be noted that if a local authority decides to vary the LPT basic rate upwards in 2025; 100% of the resultant additional income will be available for the authorities' own use. Similarly, if an authority decides to vary the LPT basic rate downwards (by up to 15%) in 2025, the resultant loss in LPT income will be reflected in reduced LPT funding to the authority.

Local authorities are further reminded of their statutory obligations as set out in the Local Property Tax (Local Adjustment Factor) Regulations 2022 (S.I. 358 of 2022) which take account of relevant provisions in the Finance (Local Property Tax) Acts. These regulations provide the updated requirements for local authorities who may wish to vary their local property tax rates for a specified period, in accordance with section 20 of the Act.

Apart from the formal notification to the Minister of the passing of a resolution in accordance with the regulations, local authorities will be requested, as a procedural matter, to confirm with the Department, the local adjustment factor (or the basic rate, as the case may be) that should apply for the 2025 LPT liability year, on or before 15 October 2024.

Previous guidance circular Fin 08/2014 and Fin 06/2022 also refers.

## **LPT Statistics and Property Valuation Bands**

2024 LPT Preliminary Statistics and Property Valuation Bands are available on the Revenue Commissioners website at the following web link:

<https://www.revenue.ie/en/corporate/information-about-revenue/statistics/property-taxes/current-year-stats/index.aspx>

LPT amounts set out in **Appendix B** to this document outline the following:

- Estimated Net LPT Liabilities for 2025 (before the application of any local adjustment factor variation). These figures (based on current 2023 liability data) include deferrals and, in addition, newly liable properties for 2024 as well as an estimate for 2025 (based on the assumption that buoyancy will remain at 2024 levels).
- Properties Newly Liable in 2024 and 2025 (before local variation). Included in the Estimated Net LPT Liabilities amount.

The projected amounts for 2025 LPT do not reflect any the basic rate by the local adjustment factor in 2025, i.e
