Rediscover Fashion on Tour!

Event Highlights:

Repair Clinic

2:00 – 6:00 PM, Lobby

Ripped jeans? Moth-eaten jumper? Bring it along to our Repair Café, where skilled repairers will help you fix your much-loved textiles!

Upcycling Workshops

Denim Coaster Workshop

3:30 – 4:30 PM, Upstairs

Registration needed

Join us for a fun and creative workshop where you'll learn the basics of Sashiko, a traditional Japanese embroidery technique used for visible mending. This hands-on session is the perfect introduction to sustainable fashion and repair.

Participants will craft their own unique denim coffee cup coaster using two upcycled denim squares, embroidery thread, and Sashiko stitching techniques. Not only will you gain a practical new skill, but you'll also dive into the growing movement of visible mending, making your mark on sustainability—one stitch at a time!

Location: The Dock, Carrick-on-Shannon

Date: Thursday, 23 May 2025

T-Shirt Yarn Macramé Workshop

4:30 – 5:30 PM, Upstairs

Registration needed

Transform an old cotton T-shirt into a ball of yarn and use it to create your very own macramé plant pot holder or wall hanging!

In this fun and creative workshop, we'll show you how to upcycle a T-shirt into yarn and teach you the basics of macramé, guiding you through each step to create a beautiful, sustainable piece. Come along to the Rediscover Fashion Roadshow and leave with a unique, handmade creation—and a new upcycling skill to cherish!

Swap Rail – Refresh Your Wardrobe Sustainably!

Lobby

Bring along good-quality clothes you no longer wear and swap them for something new-to-you!
