Dear Ms Bradley.

Re: Proposed Variation No.1 to the Leitrim County Development Plan 2023-2029

I refer to the consultation in respect of Proposed Variation (No. 1) to the County Leitrim Development Plan 2023–2029, including the associated Strategy Environmental Assessment Report, Appropriate Assessment (AA) Report, and Strategic Flood Risk Assessment Report, which was presented to the Council's Planning Committee on 29 April 2026.

Fermanagh and Omagh District Council welcome the opportunity to engage in this consultation process. Having considered the Proposed Variation and the accompanying environmental assessments, the Council confirms that it has no comments to make.

The Council welcomes continued engagement with Leitrim County Council on cross-border planning and environmental matters of mutual interest.

Yours sincerely,
