Planning Section  
Leitrim County Council  
Carrick-on-Shannon  
Co Leitrim.**

**Ref: Proposed Variation, New Residential Land Use, Mohill Co Leitrim**

Dear Sir/Madam,

I would like to welcome the proposal by Leitrim Co Council to review the current development plan and the proposal to extend the residential land use in Mohill.

I, as the landowner of 8 acres at Shannagh td., very much welcome the proposed variation under amendment **no. 42** to amend from agriculture to residential lands.

It is my ambition to do my utmost to seek planning and to develop the said lands for residential use either on my own or in partnership with others.

I trust this viewpoint will be taken into consideration and that the executive and the members of Leitrim County Council will proceed to pass the proposal as set out in the variation number 1, of the Leitrim County Development Plan,

Yours Sincerely,

Arthur Dolan.
