Re: Exclusion of folios [REDACTED] and [REDACTED] in the Draft Development plan for 2026 as development land.

Dear Sir/Madam,

Please find enclosed maps outlining areas included in the County Development Plan for 2026.

Request to Leitrim County Council to exclude the areas zoned development land for a period of four years.

Reasons for request:

- 1) This area is included in the Department of Agriculture ACRES CP scheme and is unavailable for change of use for the next four years until the expiry of the scheme.
- 2) The ACRES CP scheme was initially for five years and penalties will apply if any development occurs in the zone or the land is removed from the scheme during this time due to development.
- 3) The economic use of the land is farming currently and is farmed in line with the methodology of the ACRES scheme.

Thank you and regards,

The Registry Map Identifies properties not boundaries meaning neither the description of land in a register nor its identification by reference to a registry map is conclusive as to the boundaries or extent.
