To Whom It Concerns,

I am writing to you in relation to the former residence of my late father, Michael McKeon. He resided at the address Antfield Cottage, Aughnamore, Annduff, Co. Leitrim. The residence existed pre-1910.

The ownership of this property has transferred to myself and my sister, Michelle Butler.

I am seeking a section 5 exemption on a completed conversion of a storage shed at the rear of the building into a conservatory, connecting corridor to a small bathroom and creation of entry corridor to facilitate back door relocation. These works were completed by my late father, Michael McKeon.

Please find the following attached in support of this application

- Leitrim county council section 5 application form
- Location map with boundary lines marked and conversion marked out
- Dimensional plan and elevation of conversion
- Bank draft of 80 euro made payable to Leitrim County Council Planning Division

I would appreciate your review of this application at your earliest convenience.

Yours sincerely,

Karen McGovern.
