A Chara,

I refer to your application received on 27th July 2026 regarding the above matter.

Having examined the application the Planning Authority have determined that the following further information is required in order to make a decision:

1. The Planning Authority requires further information to ascertain if the proposed works can avail of an exemption from requiring planning permission under the applicable Class 1 of Part 1, Schedule 2 of the Planning and Development Regulations 2001, as amended. Accordingly, you are requested to confirm:
 - The dimensions of the extension (length and width),
