LEGEND - PLAN

LEGEND - PROFILE

Important Note:

The indicative design shown was used to inform the Phase 2 Assessment of Road-based Alternatives and Options. It is preliminary only and subject to change.  
During Phase 3 of the Project, the design of the Preferred Transport Solution will be developed to a sufficient level of detail to establish landtake requirements and undertake further environmental assessment. On-going studies and engagement with property owners and other key stakeholders will inform this design development, including the exact details of the road cross-section, earthworks, junctions, mainline and side road design, accommodation works design, drainage design, and mitigation measures.
