- [2] A prosecution in respect of a fixed charge offence will not be instituted unless a Fixed Payment Notice has been served on the person concerned and the person fails to pay the fixed charge specified in that notice.
- [3] In the event of non-payment of the fixed charge within the 28-day period, the person upon whom the Fixed Payment Notice was served may, during the period of 28 days beginning on the expiration of that first 28-day period, make a payment to the Council of a fixed charge of an amount 50% greater than the prescribed amount referred to in that notice so as to avoid prosecution.
